

**November 8, 2013**

**Below are anticipated construction activities for the week of 11/11/2013.**

**\*\*While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

**CENTER TOWNSHIP**

Restrictions may be in place on Fall Creek Parkway and Central Avenue and at Fall Creek Parkway and College Avenue for safety while doing concrete and drainage work.

Bridge on Illinois Street over Fall Creek will be closed for rehabilitation starting June 19<sup>th</sup> until June 2014. Official detour for traffic on Illinois St. will be to utilize 21<sup>st</sup> Street to Meridian Street to continue north and then to 30<sup>th</sup> Street West back to Illinois Street.

Rural Street over Pogues Run will have lane restrictions for bridge repairs.

There may be pedestrian restrictions at Vermont Street Plaza on the Downtown Canal.

Traffic restrictions may be in place in the Holy Cross neighborhood for street improvements. Cruse Street from Market Street to Washington Street will be closed until hard surface is on due to water main placement. Storm sewer placement Court Street between alley & Cruse Street, and Washington Street from Highland Avenue to Pine Street.

Sidewalk and curb will be placed along Villa Avenue which could interfere with traffic.

Sidewalk, curb, resurfacing and storm sewer work being done on the following streets: Keystone Avenue, Prospect Street, East Street, Morris Street, 29<sup>th</sup> Street, 30<sup>th</sup> Street, Iowa Street and Guilford Avenue. These may cause some traffic restrictions.

Bridge rehabilitation will start on the Sherman Drive Bridge over Pleasant Run Parkway Drive to reconstruct the deteriorating infrastructure and improve the road approaches. The project is scheduled for completion by the middle of this December. During construction, Sherman Drive will be closed to traffic. A marked detour using English Avenue, Rural Street and Washington Street will be established during construction.

Lane restrictions may be in place on Market Street and Washington Street between New Jersey Street and East Street, as well as East Street between Market Street and Washington Street while sidewalk and storm construction takes place.

Contractor completing punch list items may create some traffic restrictions for the following areas: Sherman Drive to Emerson Avenue on Washington Street and New York Street;

Washington Street to New York Street on Chester Avenue and Grant Avenue; and Denny Avenue from Moore Avenue to Washington Street.

Curb and sidewalk construction on North Meridian Street from 28<sup>th</sup> Street and 29<sup>th</sup> Street may create some lane restrictions.

Restrictions may be in place on Jefferson Ave. between 9<sup>th</sup> St. and 10<sup>th</sup> St. while rain garden work is underway.

Resurfacing on Birchwood Avenue from Fall Creek Parkway to Watson Avenue may cause temporary traffic issues.

#### **DECATUR TOWNSHIP**

##### **FRANKLIN TOWNSHIP**

Northeastern is closed south of Southeastern Avenue. Lane restrictions are in place along Southeastern Avenue thru Wanamaker.

Milling and resurfacing alleys in Acton may create some traffic issues.

##### **LAWRENCE TOWNSHIP**

Shafter Road Bridge over Fall Creek is open to traffic. The Fall Creek Trail Extension Project, a multi-use pathway extending the Fall Creek Trail from Skiles Test Park to Fort Harrison State Park, remains under construction.

71<sup>st</sup> and Hague Drainage Improvements may cause traffic restrictions in the area.

##### **PERRY TOWNSHIP**

There may be temporary lane restrictions and traffic delays due to thermoplastic markings being put down for the crosswalks at several intersections on Madison Avenue.

There may be traffic restrictions in the Winchester Village area for drainage improvement project.

Utility Relocation work to begin at Edgewood Avenue & Gray Road and Edgewood Avenue & McFarland Road. Traffic should watch for temporary lane restrictions at each intersection.

##### **PIKE TOWNSHIP**

Road resurfacing and curb and sidewalk work on Michigan Road from 79<sup>th</sup> Street to 86<sup>th</sup> Street may create some traffic restrictions.

##### **WARREN TOWNSHIP**

There will be construction activities within Post Road Community Park.

Kitley Avenue over Lick Creek: Kitley Avenue is closed to through traffic between Raymond Street and Brookville Road through November 15, 2013.

**WASHINGTON TOWNSHIP**

Cornell Avenue Resurfacing, from the Canal to 67<sup>th</sup> Street. The contractor is installing pavement markings & sheet signs.

There will be lane restrictions along 55<sup>th</sup> Street between Haverford Avenue and Primrose Avenue to allow for curb ramp installation and asphalt paving.

Contractor will be doing trail repair after the fence installation on the 62<sup>nd</sup> Street Trail.

The contractor will be doing trail work from Shangai Road to Cross Key and on College from 71<sup>st</sup> Street to 75<sup>th</sup> Street.

Curb and sidewalk work on Woodmere Drive between Hoover Rd and Grandview Drive - about 6600 north.

Replacement of panel signs within Center and Washington Townships (West Street and White River Parkway) may have some lane restrictions during the time of replacement.

Installation of new pedestrian crossings may cause traffic restrictions along the Monon Trail from 17<sup>th</sup> Street to 71<sup>st</sup> Street.

Curb and sidewalk removal and replacement may cause traffic restrictions on 29<sup>th</sup> Street and 30<sup>th</sup> Street. Borrow installation to resume on 30<sup>th</sup> Street for the bike path.

Curb and sidewalk construction has started and is continuing on Sherman Drive from 38<sup>th</sup> Street to 42<sup>nd</sup> Street.

There will be lane restrictions along 55<sup>th</sup> Street between Haverford Avenue and Primrose Avenue to allow for miscellaneous restoration and cleanup.

Restrictions may be in place on Guilford Avenue between 38<sup>th</sup> Street and 42<sup>nd</sup> Street while asphalt wedging takes place.

**WAYNE TOWNSHIP**

Sanitary and Storm Sewer installation work continues within Central State Development Phase 2.

Bridge rehabilitation will start on the Sherman Drive Bridge over Pleasant Run Parkway Drive to reconstruct the deteriorating infrastructure and improve the road approaches. The project is scheduled for completion by the middle of this December. During construction, Sherman Drive will be closed to traffic. A marked detour using English Avenue, Rural Street and Washington Street will be established during construction.

Indianapolis *Gregory A. Ballard, Mayor*
